

# APA 6 and APA 7 Ethical Compliance Task List

## PERMISSIONS

### I HAVE ACQUIRED PERMISSION TO USE...

- Unpublished instruments, procedures, or data that other researchers may consider theirs.
- Any copyrighted material used in my paper.
- Any reprinted or adapted tables or figures (i.e., anything I did not create myself).
- Long passages of quoted material beyond what the publisher considers to be fair use.

## SOURCES

### I HAVE...

- Avoided plagiarism and self-plagiarism by properly citing any published work presented in my manuscript.
- Credited the ideas of others using an appropriate level of citation.
- Cited any quoted material from the literature or research participants.
- Ensured consistency between the reference list and the in-text citations.

## METHODS

### I HAVE EXERCISED INTEGRITY WITH THE...

- Institutional review of my study.
- Informed consent and debriefing procedures used for data collection.
- Humane care and use of animals in my research (if applicable).

## AUTHORS

### ALL AUTHORS HAVE...

- Reviewed the manuscript and agree on responsibilities for its content.
- Agreed to the order of authorship listed in the manuscript.
- Disclosed any conflicts of interest.

## PRIVACY

### I HAVE ADEQUATELY PROTECTED THE CONFIDENTIALITY OF...

- Research participants, clients, or patients.
- Organizations or third parties.
- Any others used as a source of information presented in the manuscript.
